|| Your Ascendent ||

Your Ascendent is: **Virgo**

|| Life Predictions ||

Character

Your outstanding character is that of sympathy, mingled with hospitality. You have a great urge to make others a little happier for having met you. No higher quality could be possessed than this but it is one that may be carried to excess. You spend lot of time and money for the sake of others. Your tastes are of a cultured order and, at heart, you have a love for literary and artistic work of a high grade, though the commercial existence, which you must probably follow, may force them out of sight. Regarding money, you have peculiar views. At times you deny yourself legitimate necessities and at others, you spend somewhat recklessly. You will always give in response to the call of charity. On some occasions, you put yourself to considerable trouble in order to save a few rupees on the price of an article you desire to purchase. Your chief weakness is that you are somewhat easily impressed. In fact, you believe too much of what you hear. Unscrupulous people are quick to notice this defect in you and they are certain to trade it sooner or later. Therefore, be on your guard and avoid being victimised by someone who may come to you in the guise of a friend.

Happiness And Fulfillment

You are a person who live in fantasy. Hypersensitive, many of you have inferiority complexes, feeling slighted by taking the most unrelated incident as personal insult. It is important that you do not indulge in drugs or alcohol, for this adds to your unclarity. You be honest with yourself and others, and attempt to be as realistic as possible, for you tend toward escapism. Music, colours and nature are very positive in smoothing your overly sensitive being.

Life Style

You are more inward than most. If you were to appear in front of a large group of people, you would suffer from stage phobia. You are best motivated when you are alone to do whatever you want to do, and at your own pace.

Career

Your career must offer you both intellectual stimulation and diversity. You like to do many things at one time, and probably will have two professions.

Occupation

There are many forms of work that you could take up with entire success. All those occupations that depend, primarily, on passing examinations are within your range, since you are quick to learn and the grind necessary for their success is not a matter that irritates you. Your capacity for detail is valuable in a thousand widely different jobs. You would make an excellent journalist, not a bad detective. As a teacher you would be probably very good whilst your facility for remembering faces would be a valuable asset as a shopkeeper. What panders more to a customer's vanity than to be able to tell him everything that he discussed on his last visit ? You have a wonderful gift for doing this. As has been said, you are not exceptionally good in posts where leadership is required. But you would do well in almost any capacity where decisions have to be made. You are not fitted for the work of a commercial traveller and, generally speaking, the sea does not attract you.

Health

From the point of view of health, you are fortunate. You have an excellent constitution. But, if any part of your body is less robust than the rest, it is your heart and all that immediately depends on it. Therefore, consider yourself carefully when the age of forty is reached and avoid overstrain. As a secondary caution, avoid damaging your eyes. This, however, applies more to early youth than to later life. If you have passed this age and your sight is unimpaired, you may reckon that the danger no longer exists. Stimulants have a specially bad effect on you and, if these are shunned ruthlessly, there is every reason to suppose that you will attain a good age and live a long, useful life.

Hobbies

You set rather a high value on your leisure and begrudge losing any part of it when a rush of work comes along. Your aim is to spend as much time as possible in the open air, which is, of course, highly wise of you. You are not a lover of strenuous games. But, such pastimes as walking, rowing, fishing and nature study are more in keeping with your ideals.

Love Matters

You drift into matrimony almost as a matter of course. Very frequently, there is no courtship, so much as a friendship. Generally, you will not write love letters and the less romance comes into the affair the better. But do not conclude that you view marriage in a detached light. Far from it, once you marry, you do it with the full intention of marking the union as harmonious as is humanly possible and this ideal is not cast aside even after the lapse of a few years.

Finance

You are not likely to be lucky with partners in business. You will be more likely to be architect of your own fortune than receive much help from others. But, there is no reason for you not to eventually succeed and even become wealthy. In matter of finance, your quick-witted clever brain will give you great opportunities. At times your are likely to be very rich and at other times the reverse. When you have money you will be extravagant, when without it you can adapt yourself to the lowliest sphere. In fact, the greatest danger is that you are by nature too adoptable to others as well as to conditions. If you made the effort to hold your nature in check, you would easily become a success in whatever enterprise, industry or work you became associated with.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Eleventh house from Lagna, while in the Moon chart Mangal is placed in Eleventh house.

Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

Shani Sade Sati: Peak Phase

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

Note: Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

|| Kalsarpa Dosh ||

Kalsarpa Dosh/Yog

As per the current definition, when all planets are situated in middle of Rahu and Ketu in birth-chart or horoscope, the astrologers call it Kalsarp Dosh. In present days, discussions about this dosh are vogue among Jyotishi or Hindu Astrologers of India. Many of troubles in one's life are mostly because of Kalsarp Dosh. Without analyzing other areas of astrology, most astrologers, in fact, accept kalsarp dosh is main root of problems. But the reality is this that if all planets are well posited in horoscope, kalsarp dosh will not be harmful, and can be supportive to beneficial results endowed by good positions of planets. Kalsarp dosh is inauspicious when positions of planets are unfavorable in one's horoscope. Therefore, it is not wise to fear hearing just about 'Kalsarp Dosh'. It is in fact always better to reach on remedies only after consulting jyotishi for deep analysis on negative influences of Kalsarp dosh. Interestingly, influence of kalsarp dosh is different in different people. Because influence of kalsarp dosh is based on points-which sign is posited in which house, and what other planets occupied that house, what are their influences and so on.

Moon in your 1st house:

In general, the 1st house belongs to Mars and Sun. When the moon is also placed therein, this house will come under the combined influences of the Mars, the Sun and the Moon i.e. all the 3 mutual friends will be treated as occupants of this house. || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
