## || Life Predictions ||

### Character

You are a very practical person and equally capable. You are very tidy by nature, you love order and are methodical. It is even possible that these qualities are too highly developed in you, and it may be that while attending to minute details, you lose some of the larger opportunities of life. You are sensitive and generous. Were you to hear of a case of want or somebody in dire distress, it is unthinkable that you would pass by and not hold out a helping hand. You are a hesitant person. Though you have the qualities for making your way in the world and it is within your powers to climb high up the ladder of success, the necessary qualities to carry you through and while you are wondering some more pushing but less well-equipped person steps into your place. Therefore do not think much of your mythical limitations. Take it for granted that you will succeed and you will. You are calculative and realistic. You always want to achieve something. There is some deep desire burning in your heart to achieve something. This makes you restless at times. However, you will always have proud on your achievements.

### Happiness And Fulfillment

Expecting too much too soon, you are under tremendous inner tension and are too stubborn to compromise. Extremely nervous, you scatter your energies by doing too many things at once and rarely complete anything, for there is always something new to discover. At later part of your age, you may experience migraine headaches and must learn to relax. Any sort of combined physical and mental discipline such as yoga is an excellent remedy.

### Life Style

Children will give you tremendous motivation to set goals and accomplish them. You feel a responsibility to them and must not let them down. Use this motivating factor to its fullest, but be sure that you are doing what you want to do and not directing your efforts in an area which you do not like just because of your sense of responsibility.

## || Life Predictions ||

### Career

You are authoritative and stubborn in your business life. You must be the leader than the follower. Try to look at problems objectively, and do not make decisions just because you are obstinate, as this could be your biggest bottleneck to achieving job happiness and success.

### Occupation

There are many forms of work that you could take up with entire success. All those occupations that depend, primarily, on passing examinations are within your range, since you are quick to learn and the grind necessary for their success is not a matter that irritates you. Your capacity for detail is valuable in a thousand widely different jobs. You would make an excellent journalist, not a bad detective. As a teacher you would be probably very good whilst your facility for remembering faces would be a valuable asset as a shopkeeper. What panders more to a customer's vanity than to be able to tell him everything that he discussed on his last visit ? You have a wonderful gift for doing this. As has been said, you are not exceptionally good in posts where leadership is required. But you would do well in almost any capacity where decisions have to be made. You are not fitted for the work of a commercial traveller and, generally speaking, the sea does not attract you.

### Health

You have a good constitution. You possess a considerable amount of vitality and it will be preserved well into old age, if you take plenty of outdoor exercise. But, this can be easily overdone. Should you exceed a reasonable amount, trouble will manifest itself in the breathing apparatus and will lead to bronchial diseases. You are liable to attacks of sciatica and rheumatism after 45 years of age. It will be difficult to assign a reason for these attacks, but manifestly they are due to exposing yourself too frequently to the night air.

### Hobbies

You are exceptionally good with your hands. As a man, you can make things for the home and take a delight in mending the toys of your children. As a woman, you are expert needle worker, painter, cook etc. and prefer to make the children's clothes rather than buy them.

### Love Matters

You drift into matrimony almost as a matter of course. Very frequently, there is no courtship, so much as a friendship. Generally, you will not write love letters and the less romance comes into the affair the better. But do not conclude that you view marriage in a detached light. Far from it, once you marry, you do it with the full intention of marking the union as harmonious as is humanly possible and this ideal is not cast aside even after the lapse of a few years.

### Finance

You will have great ability in making money in all forms of industry, business organisation or in the employment of others. You will always see a way out of any difficulty and be self-reliant and determined in whatever course of action you may decide to follow. You will be a speculator on a large scale in all you undertake. You will treat life more as a game than from a serious standpoint. As a general rule, luck will favour you during the greater part of your life. In relation to finance you need have nothing to fear. Once the early part of your life is over, you will begin to reap forward for the foundation you have laid and from that point you are likely to accumulate wealth and position.

## || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Ninth house from Lagna, while in the Moon chart Mangal is placed in Fifth house.

**Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.**

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

### Some Remedies (in case Mangal Dosha is present)

#### Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

#### Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

#### Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

## || Sadesati Report ||

### Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

### Shani Sade Sati: Peak Phase

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

### Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

**Note:** Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also need to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
